

Basic Detail Report

Ballet mécanique: I Only Have Eyes (for

Euan), Escapement, Drum Roll, Rock 'n' Roll Rabbit

Date

1998

Medium

looped video, 4 laser discs

Description

Ballet mécanique is a series of video loops, each featuring a different, mass-produced mechanical sound toy that has been subtly altered through Olson's clever manipulations. Each video segment is the document of one of the toys playing through the course of its wind-up action.
