wood, boxwood,bone

Description

2 items: 1. model, 2. glass dome. The rigging and other sailing gear are very complete. Guns recess in the guns holes by pulling on a string located in the base. (Description not accurate, the system is made of several metal rods and is operational). 'Hulk' model made by POWs in England around 1800 to make a living. White and French flags must be a late addition when the model was returned to France under 'Restauration' or later. Under a glass dome.

Dimensions

Overall: 60 × 45 cm (23 5/8 × 17 11/16 in.)
