

Basic Detail Report

File 02: Maps of possible cabin locations

Date

1925-1933

Primary Maker

David Brown Milne

Description

Contents: Maps of Wood Township (David Milne Jr. notes: "lot and concession map of Wood Township showing north shore of the Severn River near Severne Falls. Milne has placed three x's on the map. He may have been considering purchasing one of these properties in 1933 - or perhaps just camped there"); Foley Township (showing lots and concessions); McDougal Township (showing lots and concessions); and a 1925 mineral map of Canada (Department of Mines). Of these maps, David Milne Jr. notes: "These maps were almost certainly acquired by Milne in 1933 when he was looking for a location to build (or rent/purchase) a cabin."
