**Description**

Pier Luigi Torri and Marisa Mell dated between 1967-1971. They were known as the Number One couple in reference to the Night Club "Number One" in Rome. The club was partially owned by Torri and some of his friends, connected to the high society of Rome but also to organised crime. Marsia Mell has often stated that she was regularly hit by Pier Luigi Torri. Nevertheless she stayed with him until his drug connections blew up in his face and he had to escape to London, England in 1971.
