gelatin silver print

Description

Giulio Andreotti was the 41st Prime Minister of Italy and leader of the Christian Democracy party. Over the course of a forty-year political career, he was seen as a reassuring figure by the civil service, business community, and Vatican. In foreign policy, he guided Italy's European Union integration, and established closer relations with the Arab world. At the height of his prestige as a statesman, Andreotti was subjected to damaging criminal prosecutions. Charged with colluding with the Cosa Nostra, courts found he had broken the links by the eighties, and ruled the case out of time. Fernando Tambroni, member of the Christian Democratic Party.
