Description

Continuous Struggle (Italian: Lotta Continua, LC) was a far left extra-parliamentary organization in Italy. It was founded in autumn 1969 by a split in the student-worker movement of Turin, which had started militant activity at the universities and factories such as Fiat. The first issue of Lotta Continua's eponymous newspaper was published in November 1969, and publication continued until 1982 after the organization disbanded in 1976.
