## **Description**

Aldo Moro was an Italian Christian Democratic politician and the 38th Prime Minister of Italy. A leader of Democrazia Cristiana (Christian Democracy, DC), Moro was considered an intellectual and a patient mediator, especially in the internal life of his party. He was kidnapped on March 16, 1978, by the Red Brigades (BR), a Marxist–Leninist urban guerilla organization, and killed after 55 days of captivity. Giorgio Amendola was an Italian writer and politician. Born in Rome in 1907, he was the son of Lithuanian intellectual Eva Kuhn and Giovanni Amendola, a liberal anti-fascist who died in 1926 in Cannes after having been attacked by killers hired by Benito Mussolini. As a result, Amendola secretly joined the Italian Communist Party in 1929 and, after graduating in law, started to propagandize opposition to the Mussolini regime. He became known (especially in the 1970s) as one of the leaders of the party's right wing, which espoused gradual removal of the ideas of Soviet Communism and Leninism and supported alliances with the more moderate parties, especially the Italian Socialist Party, a concept later called Eurocommunism.
