Description

Giulio Einaudi was an Italian publisher. The eponymous company that he founded in 1933 became "a European wellspring of fine literature, intellectual thought and political theory" and was once considered the most prestigious publishing house in Italy. He was also the author of books on literature, history, philosophy, art and science Luciano Mauri, honorary president of the Italian couriers, was for over forty years 'one of the leaders of the world' s publishing.
