gelatin silver print

Description

Francesco Principe was a politician with the Italian Socialist Party, and also the head of the region of Calabria. In 1958 he ran for the first time in Parliament , and in 1963 he became vice-chairman of the Socialist parliamentary group in the Chamber of Deputies. In the government led by Emilio Colombo (1970) he was appointed undersecretary only to State Holdings. In 1985 he got a leading role as head of the Calabria Region, of which he became president until 1987. Luigi Preti was an Italian politician and minister of Italian Democratic Socialist Party.
