**Date**

1969-1979

**Medium**

gelatin silver print

**Description**

On the streets, passers-by look on as evicted squatters relax amongst their belongings, one reclining on her fold-out chair. During the early 70s police forcibly evicted many 'Baraccati' from squats, partially built developments, and temporary shanty towns, as they were all deemed to be illegal, or missing payment to the government somehow.

**Dimensions**

Overall: 20.4 x 30.2 cm (8 x 11 7/8 in.)
