

Basic Detail Report

Mick Jagger and Brian Jones of The Rolling Stones and friends

Date

1969-1979

Medium

gelatin silver print

Description

The Rolling Stones are an English rock band formed in London in 1962. The first settled line-up consisted of Brian Jones (guitar, harmonica), Ian Stewart (piano), Mick Jagger (lead vocals, harmonica), Keith Richards (guitar), Bill Wyman (bass) and Charlie Watts (drums). Stewart was removed from the official line-up in 1963 but continued as an occasional pianist until his death in 1985. Jones departed the band less than a month prior to his death in 1969, having already been replaced by Mick Taylor, who remained until 1975. Subsequently, Ronnie Wood has been on guitar in tandem with Richards. The band continued to release commercially successful records in the 1970s and sold many albums, with *Some Girls* (1978) and *Tattoo You* (1981) being their two most sold albums worldwide.
