**Description**

Pietro Ingrao was an Italian politician and journalist. For many years he was a senior figure in the Italian Communist Party (PCI). He was the first Communist to become President of the Italian Chamber of Deputies, a position he held from 1976 to 1979. Giuseppe Saragat was an Italian politician who was the fifth President of the Italian Republic from 1964 to 1971. Giulio Andreotti (1919 – 2013) was the 41st Prime Minister of Italy and leader of the Christian Democracy party. Andreotti achieved cabinet rank at a young age and occupied all the major offices of state over the course of a forty-year political career, being seen as a reassuring figure by the civil service, business community, and Vatican. In foreign policy, he guided Italy's European Union integration, and established closer relations with the Arab world. Admirers of Andreotti saw him as having mediated political and social contradictions, enabling the transformation of a substantially rural country into the fifth-biggest economy in the world. Critics said he had done nothing against a system of patronage that had led to pervasive corruption.
