Description

Pietro Ingrao (March 30, 1915 – September 27, 2015) was an Italian politician, journalist and former partisan. For many years he was a senior figure in the Italian Communist Party (PCI). Ingrao joined them in 1942 and took part in the anti-fascist resistance during WW2. After the war, he led the Marxist-Leninist tendency in the party, representing its left wing. This led him to frequent political differences with Giorgio Amendola, leader of the social democratic tendency.
