Description

Guglielmo Marconi, was an Italian inventor and electrical engineer, known for his pioneering work on long-distance radio transmission. On 12 June 1927 (religious 15 June), Marconi married Maria Cristina Bezzi-Scali (1900–1994), only daughter of Francesco, Count Bezzi-Scali. They had one daughter, Maria Elettra Elena Anna (born 1930), who married Prince Carlo Giovannelli (born 1942) in 1966.
